# Purbeck Goes Wild Challenge

**Are you looking for new ways to explore Purbeck with your family this winter?**

Take on the Purbeck Goes Wild challenge with Wylder, the app which turns tech into a tool to decrease screen-time and increase nature connection!

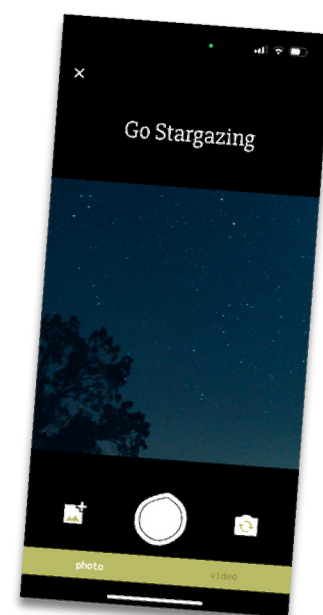

## How does it work?

Unlike other apps, Wylder is on a mission to prompt people to put their phones away! The Wylder app does this by sharing simple challenge prompts which will inspire you to get outside and enjoy screen-free time in nature.

- STEP 1: Be inspired (by a prompt on the app)
- STEP 2: Enjoy screen-free time in nature
- STEP 3: Take a photo to inspire others to GET WYLDER!

## What is the Purbeck Goes Wild Challenge?

The Purbeck Goes Wild family winter challenge has been created exclusively for families living in Purbeck. We've handpicked a selection of the National Trust's '50 things to do before you're 11 ½' – a perfect way of making the most of where you live this winter. Each of the ten challenges can be completed in any location in Purbeck, from your doorstep, Wareham or Durlston Head and everywhere in between!

# FAQ's

## 1. How do I complete the challenge?

Find challenge instructions on page 3!

## 2. How long does it take to complete?

The Purbeck Goes Wild challenge can be done in any amount of time. You could do all the challenges in one go or do them at different times and locations throughout. If you would like to complete the challenges at an event, check out the back of the challenge cards to find local event information.

## 3. Where should I do the challenge?

Each of the ten challenges can be completed in any location in Purbeck, from your doorstep, Wareham or Durlston Head and everywhere in between!

## 4. What if I don't have signal?

If signal is low, photos can be taken and then uploaded when back in signal to complete the challenge. You can also download each card for offline use before you visit, this way you will have access to all challenge information without signal. Find download instructions on page 4.

## 5. Do I need any specific equipment?

No specific equipment is required for the challenges but waterproofs, wellies and other suitable clothing to keep warm may be needed!

**We recommend that you use your own judgement about what is safe and suitable for your children and supervise activities where necessary.**
